Subject: Chat with Andrew Stein
From: Andrew Stein <steinlink@gmail.com>
To: barriticus@gmail.com

me: http://www.nydailynews.com/news/national/2011/03/03/2011-03-03_anonymous_hackers_declare_war_on_coporate_execs_military_officials_who_target_wi.html
Andrew: I wonder if the NSA drones analyzing this conversation know that text in all caps is sarcastic
Andrew: GOOD JOB GUYS
me: PROBABLY
me: YOU KNOW WHAT THOUGH?
me: srsly
Andrew: meta
me: on steam
me: get Freedom Force
me: for like five bucks
me: make your own superheroes
me: I know you won't
me: fag
me: I hate you
Andrew: sorry dude
me: I know you;re busy
me: I'm clearly not
Andrew: i will play fftactics
me: k
me: then good
me: you getting psp?
me: or got one?
Andrew: when it comes out for my phone next month
me: sweet
me: you're doing the right thing
Andrew: lion war version
me: awesome
me: NEW CLASS
Andrew: on a goddamn phone
Andrew: we are truly living in a gilded age
me: what an age!
me: oh also
me: Lockheed Martin Genome Project. srsly. http://hbgary.anonleaks.ch/aaron_hbgary_com/5187.html

me: we call this metal gear
me: just found it
Andrew: this looks like digital fingerprinting - tracking maybe?
Andrew: if its forensics, im not sure for what by the language
me: nah due
me: metal gear
